by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 55-21-103(a)(6), is amended by deleting the following language:

Notwithstanding the above, the department shall provide any person qualifying for a registration and license plate under subdivision (a)(1) who applies for and receives a new specialty earmarked license plate pursuant to chapter 4, part 2 of this title, a decal of distinctive design to disabled drivers to affix to such new specialty earmarked license plate. New specialty earmarked license plates having such a decal properly affixed shall be a recognized symbol for the purposes of this part. The cost of such decal shall be considered a cost incurred by the department of revenue in designing, manufacturing and marketing such new specialty earmarked plate pursuant to § 55-4-215.

and substituting instead the following:

Notwithstanding this subsection (a) to the contrary, the department shall provide any person qualifying for a registration and license plate under subdivision (a)(1) who applies for and receives a registration and license plate in a category identified in § 55-4-202(a), a decal of distinctive design to disabled drivers to affix to such plate. Registration and license plates having such a decal properly affixed shall be a recognized symbol for the purposes of this part. The cost of such decal shall be considered a cost incurred by the department of revenue in designing, manufacturing, and marketing such plate pursuant to chapter 4, part 2 of this title.
